This is an opportunity to get in the gym in October to work with Varsity coaches and players on the game of basketball. There will be skill work, contests, and league games throughout the Program and players will have a blast while improving at the game. If your child enjoys this experience, we encourage them to try our travel team basketball.

LITTLE DRIBBLERS

Boys and Girls grades 4K-2 will have an opportunity to work on their basketball, movement, and teamwork skills in our Little Dribblers sessions. These sessions are geared to help young players develop very basic movement and basketball skills, using a number of drills and games to maximize repetition. Players will not only have a great time, but they will find a very friendly environment of peers learning the basics of the game. Whether you love basketball, like it, or aren't sure, give Little Dribblers a chance and we promise you will have a great experience.
